

## 2019 Upgrade Changes for Case Managers/UR

1. Jump right to Utilization Review in a patient’s chart from Patient Lists. Double-Click the Review Due and Next Review cells.

Author(s)	Auth/Cer Start and End	Review Due	Last Review	Next Review	Next Rev Date	In Secondary Review?
—	—	↓	11/06/2017 10:35	Not scheduled	—	—

2. Add report memos in more places, such as faxes, payor communication, or custom documents.
