

August 2021 bloodborne pathogens (BBP) education

“CEG0042 August 2021 Bloodborne Pathogens (BBP) Education” will be available on I-Learn and the Learn mobile app beginning at 8 a.m., Aug. 1 through Aug. 31.

Enhancement for mobile access!

With the Cornerstone Learn app installed on your mobile device, use the QR code for direct access to the August 2021 Bloodborne Pathogens (BBP) Education course:

Access Instructions:

1. Install the Cornerstone Learn app (if not already installed) on your mobile device (Android/Apple).
2. Use the QR reader on your mobile device to scan the QR code.
3. Enter your corporate email address and password in the indicated fields to access the Learn app.
4. Click on forward arrow to begin the module.

Who must complete BBP?

All Novant Health team members and providers must complete BBP education in August 2021.

How do I access BBP education?

Use I-Learn to access the course with desktops/laptops **or** download the Cornerstone Learn mobile app for access with phones/tablets.

Important reminder!

If you are using a desktop/laptop to access the course, **Google Chrome** must be used as the browser:

- On campus (at work): use your Novant Health network access to I-Learn. You **do not** have to enroll in the BBP course. All team members will be **automatically** enrolled.
- Off campus (from home): use “Employee connections” via: <https://www.novanthealth.org/employee-connections.aspx> to access the Novant Health intranet.
