

# CEG0042 April 2025 Bloodborne Pathogen (BBP) Education

“CEG0042 April 2025 Bloodborne Pathogen (BBP) Education” will be available on I-Learn and via the Cornerstone Galaxy mobile app beginning at 8 a.m., April 1 through 11:59 p.m., April 30.

## Enhancement for mobile access!

Use your mobile device to scan the QR code for direct access to the Bloodborne Pathogen course:

## Access Instructions:

1. Use the QR reader on your mobile device to scan the QR code.
2. Enter your corporate email address and password in the indicated fields to access I-Learn.
3. Select “Launch” from the course details page.

Revised: 01/16/25

## Who must complete BBP?

All Novant Health team members and Novant Health providers are required to complete the BBP education.

## How do I access BBP education?

If using a desktop/laptop, the BBP course must be accessed using either **Google Chrome or Microsoft Edge** as the browser:

- On campus (at work): use your Novant Health network access to I-Learn. You **do not** have to enroll in the BBP module. All team members will be **automatically** enrolled.
- Off campus (from home): use either GlobalProtect VPN or “Employee connections” via: <https://www.novanthealth.org/employee-connections.aspx> to access I-Connect.

## Cornerstone Galaxy mobile app!

Use your mobile device to download the Cornerstone CSX app and complete the course on your mobile device.
