

N ■ Franklin Covey: ■ Multipliers

Franklin Covey leader education!

In this course leaders will explore two leadership styles, the Diminisher and the Multiplier.

Leaders will learn how the Multipliers leadership style can have a resoundingly positive and profitable effect on organizations such as getting more done with fewer resources, developing/attracting talent, and cultivating new ideas and energy to drive organizational change and innovation.

Who should attend?

This webinar is designed for leaders in our organization.

Webinar date and time

Wednesday, March 23, 8:30 a.m. to 4:30 p.m.

Register through I-Learn by browsing for: **CEL0056 Franklin Covey: Multipliers**. After registering, you will receive a confirmation email with further details for attending the webinar.

Objectives

The information shared in this course will help you to:

- Define the difference between the Diminisher and the Multiplier leadership style.
- Recognize how even well-intended leadership behaviors can have a diminishing effect on others.
- Practice crafting and asking questions that focus people's intelligence on the right issues and encourage them to contribute their best thinking.
- Practice looking for the natural genius in others.
- Practice determining strategies to create an environment where it is safe for people to think, speak and learn.
- Commit to specific actions that will help them offer bigger challenges back on the job.
