

N ■ Novant Health Survey ■ Tools Webinar

Invitation for leadership training!

Novant Health collects data about its team members, physicians and patients through a unique survey program. This webinar explains how the data we gain from that program can help you make decisions. The data will improve the care you provide. And, the survey process will help Novant Health meet its strategic goals.

Consider the following for attending this webinar:

- Do you want to learn about Novant Health's team members, physicians and patients?
- Do you want to know how Novant Health measures its progress toward achieving its strategic goals?
- Do you want to use survey data to make business decisions, improve patient care, or help Novant Health meet its strategic goals?

Who should attend?

This course is designed for all Novant Health leaders.
