

# N: Safety Coach

## Safety Coach webinar invitation!

**Patient safety** is an important part of enhancing our ability to **make healthcare remarkable** for our patients. The Safety Coach webinar supports by leading participants through a review of Novant Health's safety behaviors and demonstrating how to effectively coach other team members toward compliance.

Consider the following questions for selecting team members to attend safety coach education:

- Could they be an active patient safety advocate?
- Would they be an effective peer coach?
- Could they be a positive change agent?

### Who should attend?

Leaders will select team members to attend.

### Webinar date and time

Thursday, October 14, 10 a.m. to noon

**Register a team member in I-Learn by browsing for: CEG1080 Safety Coach and assign the course to the designated team member(s). A confirmation email will be sent to the team member(s) with further details.**

### Objectives

The information shared in this course will help participants to:

- Discuss Novant Health's five safety behaviors, error prevention tools, and the impact on culture transformation
- Demonstrate safety behaviors which prevent patient harm
