

# Leader Engagement: Supporting the Human Experience through Storytelling and Rounding

## A Leader Lab learning opportunity!

In this learning experience, we'll explore how Leader Rounding is a very important method for building a connection to our patients and team members.

By rounding and storytelling, we can build awareness of system priorities and share impactful stories that support our human connection as we make remarkable as a team. Come join us to learn more!

## Why should you attend?

- Would you like to become more effective with leader rounding?
- Would you benefit from discovering specific behaviors that enhance leader rounding for your team?
- Would you like to learn how leader rounding and storytelling can directly support our organizational success?

If you answered **“yes”** to any of the above questions, then this Leader Lab can benefit your growth as a leader!

## Who should attend?

All Novant Health leaders

## Webinar date and time

Thursday, June 19, 2 to 4 p.m.
