

N Coaching for Success: I-GROW

Coaching is an essential part of the development of every Novant Health leader. We are excited to offer you a learning opportunity to develop a coaching mindset and become a better coach!

Do you know:

- Why coaching is an important capability that every Novant Health leader needs?
- What the essential skills of coaching are that leaders can apply to promote growth and development in direct reports?
- How leaders with no direct reports can benefit from this education?

If you don't know the answer to all these questions, then this learning session will be helpful to you!

Who should attend?

This class is designed for leaders in our organization to introduce them to how to become a better coach.

Webinar dates and times (3-day session)

Nov. 29 to Dec. 1, 2 to 4 p.m. *(all 3 sessions must be attended)*

Register through I-Learn by browsing for: CEL5010 Coaching for Success: I-GROW. After registering, you will receive a confirmation email with further details.

Objectives

The information shared in this course will help you:

- Develop a coaching mindset and increased commitment to regular coaching.
