

# Get On Board

## Virtual class invitation!

Novant Health currently has many leaders engaged in board service in our communities. This course is the beginning of our ability to increase board service among our leaders and weave it into the fabric of the organization because board service:

- Can be a powerful professional and personal development tool.
- Provides an opportunity to leverage connections and relationships outside the organization.
- Provides an opportunity to amplify key messages from the organization in order to increase brand recognition and reputation.

## Who should attend?

Anyone interested in board service.

## Date and time

Friday, November 18, 2022

11:30 a.m. - 1:00 p.m.

**This course has been converted to a virtual course (Zoom) due to COVID 19. Please enroll and you will be contacted with further instructions.**

## Objectives

The information shared in this course will help you to:

- Explain roles and responsibility of board membership.
- Discuss professional development and personal growth opportunities available through board service.
- Describe the process for matching board service opportunities to personal and professional goals.
- Explain how board service can increase Novant Health connections in communities and increase brand recognition.

Novant Health leaders will have the support and education needed to seek appropriate board seats while utilizing their board experience to increase professional skillsets and advancing Novant Health goals.
