How to Activate Your Novant Health Udemy for Business Account

1. You will be receiving an email shortly from **<u>no-reply@e.udemymail.com</u>** that will provide you access to the sandbox:

Derrick D	Rodgers (.	You're invi	ited to	o star	t learni	ng on novant.udemy.com - Hi, Good news! You've been invited to join our		0	
C 0 0 8448	Derrick D Rodgers (connectedate. That you's abased many results has him for parts article.			
10 10 10 Parts	no-reply@e.udemymail.com					Revenue for Parties Non-Revenue - Factoria Sociali Science Traces.		-	
0.00148	Add to Contacts					aling workers card poster to one while the persistent, afficials any first test		-	

- Start learning
- 2. Once you open the email, read the email and click the **Start learning** button.
- 3. You will be directed to a **Welcome to Udemy for Business** screen, where you should enter your Full Name, Novant Health email address, password, and then click the **Complete Sign Up** button and click continue.

4. You will be redirected to the **Welcome to Udemy for Business** screen where you can click the **Get Started** button to begin.

5. Select 1 to 3 skillsets from a list of 16 skillsets to gauge what skillset matters most to you, followed by selecting up to three skills from each of the skillsets you selected:

What skillsets matter most to you?	~	Data Science & Analytic Subcrear Subras freedoms the other Fythen and rate an object	Data Science & Analytics Salverer and use andere directified data services it is & these file Padoco, Apud- otics. Filmen new on all values.
