

# EOH contacts team members (EOH TM Covid-19 Pool)

## POSITIVE RESULT: NOVANT HEALTH COVID-19 TESTING POOL

### POSITIVE COVID-19 TEST RESULT:

- These test results are handled by EOH Provider (NP/PA/MD licensed practitioners)
- The EOH Provider hands off the team member to the EOH return to work team when appropriate

## NEGATIVE RESULT: NOVANT HEALTH COVID-19 TESTING POOL

### NEGATIVE COVID-19 TEST RESULT:

#### First negative test result (team member was sent for screening due to symptoms):

1. These test results are reviewed by EOH Provider (NP/PA/MD licensed practitioners) and a ticket is generated that places team member in queue with EOH return to work team
2. EOH return to work team process ticket generated by EOH Provider
3. Team member must submit another [Infectious Disease – Corona Virus Symptoms Self-Monitoring form](#)

#### First negative following a positive result:

1. These test results are reviewed by EOH Provider (NP/PA/MD licensed practitioners)
2. Next steps are defined by EOH Provider until two consecutive negative results are received

## ACCESSING THE EPIC EOH TM COVID-19 RESULTS POOL

### For EOH providers and selected EOH nurses:

If you have access permissions to the EPIC EOH TM Covid-19 Results Pool, click [HERE](#) to open the Results Review Process Workflow reference guide.
