

Your partner for workplace health and well-being

We know that customized, coordinated and convenient healthcare is important to employees — and strengthens retention in a tight labor market. That's why Novant Health Employer Solutions offers a suite of services, all coordinated through your own dedicated relationship manager.

We have the track record of working with some of the area's most established companies and offer a solutions-driven approach to your unique needs.

With Novant Health Employer Solutions, your team members will have the health and well-being benefits that help them flourish.

HERE'S JUST SOME OF WHAT WE OFFER

- **On-site healthcare**
Immunizations, health coaching, on-site nurse or occupational medicine services, mobile mammography. We even offer on-site wellness centers staffed with a medical expert for your employees' convenience.
- **Digital services**
On-demand 24/7 virtual visits, including same-day care for illness
- **Executive health**
Personalized, concierge-style care for your leadership team
- **Occupational medicine**
Pre-employment or Department of Transportation physicals, worksite injury care, drug testing
- **Bundled care for costly conditions**
One simplified, single bill for certain procedures, such as childbirth or joint replacement. Bundled care includes the key "before," "during" and "after" services for the event — eliminating stress and potentially saving money.
- **Well-being services**
Healthy living seminars, health coaching, biometric screenings and health assessments, as well as expedited healthcare appointments with our physicians for your team.
