

# June 2023 Bloodborne Pathogens (BBP) Education

“CEG0042 June 2023 Bloodborne Pathogens (BBP) Education” will be available via NetLearning beginning at 8 a.m., June 1 through 11:59 p.m., June 30.

BBP education is important to assure the health and safety of our patients and team members. It also contributes to minimizing risk to the organization. This mandatory online training module helps support our quality and safety goals.

**All Novant Health team members are required to complete the BBP education by 11:59 p.m., June 30, 2023.**

## Questions?

- Talk with your leader.
- Call your local infection prevention office.

## Who must complete BBP?

All Novant Health team members and Novant Health providers are required to complete the BBP education.

## How do I access BBP education?

If using a desktop/laptop, the BBP course must be accessed using either **Google Chrome** or **Microsoft Edge** as the browser:

- You **do not** have to enroll in the BBP module. All team members will be **automatically** enrolled.
