

N Performance Improvement-Day 1

You are invited to a leadership class!

This instructor-led session provides proven tools and methods to leaders to help them lead performance improvement and change efforts.

Consider the following for attending this training:

- Are you involved with a performance improvement effort?
- Do you need to know if a change is actually an improvement?
- Do you know how to lead and facilitate a team through a change effort?

If you answered “yes” to any of the questions above, then this training is for you!

Who should attend?
