

N Building and Sustaining Trust

Leadership class invitation!

This virtual instructor-led session showcases the crucial link between trust and business success. The power of trust as a business tool will be illustrated.

Consider the following for attending this class:

- Would learning how to avoid trust gaps be helpful to you as team leader?
- Would it benefit you to identify specific actions for helping your team members to take risks?
- Would you like to know how you can encourage your team members to work together to identify/solve problems and create and sustain high levels of trust?

If your answer was “yes” to any of the above, then this class is for you!

Who should attend?

All leaders, including new and/or future leaders (applicable to all healthcare settings)
