

N ■ Leading at the ■ Speed of Trust

Leadership class invitation!

The Franklin Covey: Leading at the Speed of Trust instructor-led webinar showcases the crucial link between trust and business success.

Trust isn't a quality you have or don't have. It is a learned skill. Teams and organizations operating with high trust significantly outperform those who do not cultivate trust at the core of their culture.

Consider the following for attending this class:

- Would you like to learn how to build more trust between you and your team?
- Would you like to have a better understanding of how organizations with high trust can perform at higher levels of efficiency?

If your answer was “yes” to any of the above, then this class is for you!

Who should attend?

All Novant Health leaders.

Class materials

A class kit will be mailed to each participant's home address prior to the webinar session.

Webinar date and time

Tuesday, November 30, 9 a.m. to 4 p.m.

Objectives

The information shared in this course will help you to:

- Learn the skill of “trust”.
- Explain specific reasons about how organizations with high trust can perform at high levels of effectiveness.
